When will the in kind sponsorship be provided? Approx. Date: _____

Total Value of In Kind Contribution: \$ _____

If you have any further questions, please call our Office at 250-847-3816 or email bvfair@telus.net

What does your sponsorship go towards....

4-H

Your donation is used for trophy or gift prizes for the 70 + 4-H youth in our community. The BV District 4-H has a very strong membership of kids in beef, sheep, swine, horse, rabbit, poultry, dog, Cloverbuds and Honeybee! We also use sponsorship money to help buy rosettes, pay for judges for the different project classes.

Light Horse and Draft Horse

In both Light Horse and Draft Horse we need help with the judges cost, travel and accommodation since most come from out of town. We hire local people for jump crews and barns managers and show secretary. Our volunteers help out with all the little jobs in between. Did you know it takes over 27 people to set up and run the Hunter – Jumper show? From data entry to jump crew, everyone plays an important part.

Kids' Dog Show

Our Kids' dog show is held traditionally on The Sunday of the Fair; this great little event is being held in memorial this year for Ron Toews who was the creator and main push behind this show. He had classes for everyone and he always made sure every child and dog left with a prize or 3! We will continue the Kids' Dog show on with fond memories of Ron and his enthusiasm and love of dogs and kids. Sponsorship dollars help us purchase the prizes for all the entries.

Livestock Shows

In 2022 we will be offering Junior beef, open Sheep, Swine, Poultry, Rabbit and NEW this year an open Mini Goat show! Your sponsorship helps us pay for ribbons, trophies, judges, prizes and prize money to be able to host these classes.

Kids' Zone

Welcome to one of the most popular places at the Fair! The Kids' Zone features the largest petting farm in the Northwest; offering everything from bunnies to mini goats to mini donkeys, Alpacas, lambs, piglets and NEW this Year; Emus for the kids to see and interact with. A super large area complete with big top tents for everyone's comfort, places to sit and things to do. Also in the Kids' Zone is our Kids' Shooting Star stage with Uncle Chris the Clown performing all day long. Choosing the Kids' Zone for your sponsorship helps us pay for the tents, Uncle Chris, animal caretakers during the fair and zucchini supplies, feed for the animals during the fair and artwork and decorations that enhance the farm experience.

Trainer of the North

Watch the horsemen of the North take an untrained horse at the beginning of the 3 days and by the last day are riding that horse and have completely gained its trust and willingness. We hire some of the most talented horsemen in the province for this event and your dollars help us do that.

If you have any further questions, please call our Office at 250-847-3816 or email bvfair@telus.net

Hall Exhibits

The Hall Exhibit is where our volunteer army really shines! It takes over 100 volunteers to prepare the Halls to receive all the entries and then place them on display for the judges and finally for the public to view. Every class from Kid's baking to adult photography has ribbons and prize money offered and your dollars help pay for that.

Rodeo

Rodeo, Rodeo, Rodeo! 4 fantastic days of Rodeo in 2022! This is our single most expensive Division in the Fair; bringing the Rodeo to the arena is only possible with sponsors like you! From the Clown and announcer to the awesome bucking stock from C+ Rodeo your dollars have made this possible over the years.

We love to be able to offer the rodeo sponsors some air time with our announcer or maybe you have a banner to hang in the arena? Call us with any questions on becoming a rodeo sponsor.

Antique Tractor

We have been given the wonderful opportunity to display the John and Leny Boonstra Antique Tractor Display here year round. "Grampa's Tractors" will be at the Fair as usual outside and afterwards will be housed in the Lisbeth Johnstone Hall (Quonset) We have a unique opportunity for sponsorship of the tractors available; which would include year round signage recognition of your sponsorship. Each and every tractor (46) is operational and is kept maintained and your sponsorship goes towards the care and maintenance of these year round.

Loggers Sports

Sponsorship dollars over the years have helped rebuilt the Loggers sports arena, put in the log birling pond and buy the special log for birling, axes for the axe throwing even the giant logs for the obstacle races.

General

Any sponsorship marked general helps us buy new bleachers, maintain the golf carts for the people movers, built new ticket booths, paint the stage, build benches, plant flowers, print signs, Hire a student for our popcorn booth, so, so many dollars go into making the BVX happen each year and we are so thankful for your sponsorship!

If you have any further questions, please call our Office at 250-847-3816 or email bvfair@telus.net
