ANTIQUE TRACTOR DISPLAY

The Antique Tractor Display has a new home! As of this year, the fantastic old workhorses that have found retirement homes with John and Leny Boonstra are coming to live permanently at the Fairgrounds. During the winter, they're going to live safely inside the Halls, each with their story of when they were built, and what they were made for.

During the Fair, you'll find Antique Tractors from as long ago as 1919, right up to young whippersnappers of forty or so, on display between the Rodeo Ring and Machinery Row. And yes indeed, they are all running, so don't miss the Antique Tractor Parade around the Fairgrounds Friday and Saturday at 1pm.

Got an old tractor—or a crawler, or maybe even a traction engine—around the farm that deserves a wider audience? Bring it on down to the Fair for the weekend! We'll help you draw up an information sheet for it—whatever you know about its age and its history—and we'd love for it to join its old buddies in the display. Call the office 250.847.3816 to arrange a space.

NEW!! This year, pick your favourite Antique Tractor from all the old beasts on display! Whether you like red and shiny or old and weatherbeaten, vote for your favourite and we'll see who wins the People's Choice Award!

Please note there are no competitions in the BC Association of Agricultural Fairs and Exhibitions category this year – but we hope to see them back in 2023!
