

Hall Exhibits

The Hall Exhibit is where our volunteer army really shines! It takes over 100 volunteers to prepare the Halls to receive all the entries and then place them on display for the judges and finally for the public to view. Every class from Kid's baking to adult photography has ribbons and prize money offered and your dollars help pay for that.

Rodeo

Rodeo, Rodeo, Rodeo! 3 fantastic days of Rodeo in 2023! This is our single most expensive Division in the Fair; bringing the Rodeo to the arena is only possible with sponsors like you! From the Clown and announcer to the awesome bucking stock from C+ Rodeo your dollars have made this possible over the years.

We love to be able to offer the rodeo sponsors some air time with our announcer and NEW for Rodeo Sponsors; your Logo on the Giant replay Board in the arena! Call us with any questions on becoming a rodeo sponsor.

Antique Tractor

We have been given the wonderful opportunity to display the John and Leny Boonstra Antique Tractor Display here year round. "Grampa's Tractors" will be at the Fair as usual outside and afterwards will be housed in the Lisbeth Johnstone Hall (Quonset) We have a unique opportunity for sponsorship of the tractors available; which would include year round signage recognition of your sponsorship. Each and every tractor (46) is operational and is kept maintained and your sponsorship goes towards the care and maintenance of these year round.

Loggers Sports

Sponsorship dollars over the years have helped rebuilt the Loggers sports arena, put in the log birling pond and buy the special log for birling, axes for the axe throwing even the giant logs for the obstacle races.

General

Any sponsorship marked general helps us buy new bleachers, maintain the golf carts for the people movers, built new ticket booths, paint the stage, build benches, plant flowers, print signs, Hire students, so, so many dollars go into making the BVX happen each year and we are so thankful for your sponsorship!

If you have any further questions, please call our Office at 250-847-3816 or email bvfair@telus.net
