

IN MEMORY

THE BULKLEY VALLEY EXHIBITION WOULD LIKE TO
RECOGNIZE A NUMBER OF PEOPLE IN MEMORY THAT
HAVE RECENTLY PASSED.

We would like to note the GIDDINGS FAMILY. Charlie (passed April 2024) predeceased by brothers T.E., Harry, sisters; Elenar, Mae & Margaret. Charlie and Harry have been seen around the cattle barns for many, many years (at least 30) along with their niece Kathy. The brothers showed their Charolais and Red Angus cattle, and were always winners of most classes entered. The Giddings were very supportive of the 4H community as well, they were always willing to host a mini show, or provide their cattle for judging classes etc. There are a number of newer generation members still active as 4H alumni, 4H leaders, or 4H members.

MARGARET KERR (nee Giddings) a sister to Charlie and Harry, passed December 2018. Margaret was a fair board member for a number of years. She also coordinated and managed the loggers sport show for many years.

CHARLIE GIDDINGS

MARGARET KERR

JUNE RIDENNOURE

BETTY CHAPMAN

JUNE RIDENNOURE (COCKS) nee GIDDINGS, an aunt to Charlie, Harry and Margaret (passed June 2021), was an exhibitor in the hall for 70 years. She won many blue ribbons with her baking, knitting and quilting.

We would like to than k all of the Giddings family for their interest and support of the fair.

BETTY CHAPMAN (passed January 2024). Betty was 102 years of age, and was still entering items in the hall up until a couple of years ago. She again won many blue ribbons for her entries. Thank you Betty for your long-time support.
