Agricultural & Industrial Association

We are always looking for new ideas and creative energy to assist us to achieve our goals. We hope you are interested enough to join us.

Members of the association work together to achieve the following Aims and Objectives:

- To inform the public on the importance and benefit of agriculture to the environment in northwest British Columbia;
- To encourage the cultivation of the soil and all the things pertaining to the industries of agriculture and horticulture;
- To support the development of youth and leader skills through the 4-H program;
- To provide a forum for technology transfer for agriculture producers;
- To provide a facility for commercial exhibits to enhance the businesses of the region;
- To provide entertainment to attract the public to the fair; and
- To assist smaller fairs in the region in their development.
