BULKLEY VALLEY 4-H DISTRICT ONLINE AUCTION

Starting at 5:00 pm Thursday, August 27, 2020 Ending at 5:30 pm Saturday August 29, 2020

Buy a 4H Project Steer, Lamb, Hog

WHAT YOU CAN BUY:

A Market Lamb weighing 100-150 lbs live weight. The carcass will weigh approximately 50-75 lbs.

A Market Hog weighing 250-300 lbs live weight. The carcass will weigh approximately 180-250 lbs.

A Market Steer weighing 900-1550 lbs live weight. The carcass will weigh approximately 450-850 lbs.

HOW YOU BUY:

A buyers information sheet will be provided, please complete it and email it to bv4hauktion@gmail.com, prior to the sale to register as a buyer or register directly on auction sale site: <https://auction.showworks.cloud/fair/bulk>

All 4-H auction animals will on display on Facebook, (see Link below) from about August 15 to August 29, 2020. Bidding will open at 5 pm Thursday August 27 to 5:30 pm Saturday August 29, 2020.

Visit the Facebook page to find out information about the member and their project.

Lots will be listed by alternate species, and listed by draw.

All animals are auctioned to the highest bidder on a price per pound, live weight basis.

Payment or arrangement for payment will be made to the Livestock sale committee. Cheques payable to 4H Action Account. Successful buyers will be provided with a form indicating where they would like their purchase delivered for cutting and wrapping.

If you would like to share in the purchase of a steer with someone else, just give both names when you are the successful buyer.

AND THEN:

Animals are transported to the licensed abattoir for slaughter and delivered to the meat cutter of your choice. You contact your meat cutter and provide instructions for cutting and wrapping your purchase for your family's needs. You will then arrange to pick up your packaged meat, which will be ready for your freezer. The 4-H member will cover the cost of the slaughter of the animal, and the buyer is responsible for the cutting and wrapping costs.

THANK YOU FOR SUPPORTING

4-H IN THE BULKLEY VALLEY.

The 4-H members themselves raise all animals in the sale.

Each member is responsible for selection of their animal, daily feeding, cleaning pens, etc., and the personal care of the animals such as grooming and cleaning for the full 4-H year.

Each animal has had lots of "Tender Loving Care" and should guarantee a buyer many meals of good eating. Remember, the receipt you receive from the Auction can be used as a business expense.

BULKLEY VALLEY 4H LIVESTOCK SALE COMMITTEE
July 31, 2020

TO ALL BUYERS AND SPONSORS OF 4H:

Yes, there will be a 4H Livestock auction this year, but due to Covid-19 the auction will have a different look. Since we cannot have any large groups at the Fair Grounds at this time, we are planning an on-line auction. The members will be posting a photo of themselves and their project animal, and a write up about themselves and their project. The Online auction will be open for bids at 5 pm on August 27th with the first lot, second lot will close 2 minutes later, and so on until end of lots at approximately 5:40pm.

At this time we have 10 steers, 4 lambs and 6 hogs for you to choose from. After the sale, you will be advised if you are the successful buyer. At that point everything will be the same as prior years. The animals will be taken for slaughter at BV Custom Slaughter, and then hauled to the cutter of your choice. At that point you will be contacted by the cutter for cutting instructions and pickup by you. The cost of the cutting is the buyers' responsibility.

The animals will be sold at price per pound live weight. So if the animal weighs 1000 pounds, and you are the successful bidder at \$5.25 per pound, your bill will be \$5250.00. You are encouraged to check back often, and may bid as many times as you would like. You will be issued a receipt for the purchase price and you can use this as a business expense for advertising.

If you are not comfortable using the online auction platform, we can make arrangements to take your bids by phone, text, email etc. If you would like only a ½ of beef, our staff will try to make arrangements to sell the other half. Or if you have someone that you normally share with we can accommodate that also.

You are encouraged to return the attached Buyers Information sheet as soon as possible or to follow the link to register for the online bidding. Email to BV4Hauction@gmail.com. This way we can contact you with updated information before the sale.

Thank you for your continued support of the 4H program.
