What's new at the 2015 Fall Fair August 27-30, 2015

Smithers Rodeo Club and the BVX bring back the action packed BCRA Rodeo and Bullarama on August 27st through to August 29th. We start off the Rodeo lineup with the ever popular Bullarama on Thursday evening at 6:00 PM. In this show it's all Bulls, cowboys and pure Adrenaline! The cowboys are vying for a \$2500.00 added purse sponsored by Shooting Star Amusements and the Smithers Rodeo Club. Each bull rider will attempt to ride not one but TWO bulls, all supplied by C+ Stock Contractors, during the 2.5 hour performance. The rider tries to stay on for 8 seconds (the longest 8 seconds of his life?) ... and we should warn you, the bull usually wins! The high combined score will be the 2015 SRC Bullarama Champion Bull Rider.

Prepare to be WOWED by our half time entertainment in all three rodeo performances this year! Young Gunz Trick Riders come to us after representing Canada in the Australian Trick Riding Championship in Sydney. These three young riders will dazzle you with their athletic ability in the saddle -- and the horses that they trust with their lives will amaze you with the precise training and talent in this partnership performance. These kids are all under 16 years old and have been performing together for several seasons. Be prepared for a spectacular show by these kids and their mounts.

In Partnership with:

Also on for all three performances is the Wild Horse Race sanctioned by the Canadian Wild Horse Race Association. This is always a favorite, and features some local boys competing in this event as well as teams from across BC and Alberta.

Friday and Saturday evening performances start at 5:00 PM. These are BC Rodeo Association sanctioned events offering a full lineup of Saddle Bronc, Bareback, Steer Wrestling, Team Roping, Breakaway Roping, Tie-down Roping, Ladies Barrels and Bull Riding for the adult competitors. Youth Events include Jr Steer Riding, Breakaway Roping, Barrels and of course PeeWee Barrels!

The Wild Cow Milking will be on Friday and Saturday showcasing all local businesses and teams of three trying desperately to get that elusive drop of milk into the pop bottle. Get a team together and try your luck!

Our shows would not be complete without our announcer Jay Savage back for another year; keeping everyone informed and involved. Veteran Squirrely Early Anderson from Alberta joins us this year as our Rodeo clown; he'll be bringing us lots of laughs. Also for your enjoyment and thanks to our great lineup of SUPER sponsors will be the Rodeo Program complete with a huge selection of prizes donated by our Rodeo business sponsors; don't miss a chance to go home with a helicopter ride or gift certificates to your favorite restaurant!
