All campers must have a 4-day wristband. All Campers must be listed on application form.

ABSOLUTELY NO CAMPFIRE ALLOWED! (See current Fire Ban Restriction Rules at www.smithers.ca)

Continuing for 2023

There will be changes to the campsite spacing due to the larger sizes of RV's and Trailers that are now the norm and the result will be less spaces available. **We are going to take reservations for camping spots instead of a first come basis.** This change will affect general camping primarily.

We also anticipate that the spots in general camping will be filled up by Wednesday evening. Watch for signs stating that general camping is full at the top of the hill leading into Fairgrounds.

General Campers please see the map attached and send at least 3 choices of campsites or areas and we will do our best to place you.

All reserved campsites, car passes, dog passes and people wristbands must be paid for at the time of reservation so we can make your entry into fairgrounds streamline and easy on our gate crew.

Any changes to your original purchase need to be dealt with through the office before arrival so your package is correct at the gate. E-Transfer payment to bvfair@telus.net or come to Fair office.

For your etransfer please put your family name in comment with Camping behind it.

Forms are to be dropped off at BVX office, faxed to 250-847-3826 or emailed to bvfair@telus.net
